

River Rescue Course to be held in Boise Idaho May 11,12,13

With Rescue Three WRT Certification	\$295
To Recertify a Rescue 3 SRT or WRT Certification	\$150
With ACA workshop card	\$195

Recommended for river guides and kayak instructors.

This course is being held in Boise Idaho **on May 11, 12, 13, 2007** (location to be announced)

Whether you work, play or recreate in and around rivers, this river rescue course is for you! The focus of this course will be accident prevention and self rescue techniques. The class will include safe river crossing and wading in current, throw bag safety, contact rescues, how to free people or boats that are entrapped, basic rope techniques and mechanical advantage.

This class will also include kayak and raft rescue techniques and is recommended for river guides and kayak instructors.

Julie Munger is an internationally acclaimed guide and has been teaching river rescue for over 15 years. She was voted by Rescue 3 as Instructor of the Year. You can learn about her qualifications at sierrarescue.com. Don't miss this opportunity to be trained by one of the most respected instructors in the field.

Please visit WWW.Juliemunger.com for her full credentials
